Chairman's Message

The Cuncolim Educational Society's College of Arts and Commerce was started with a motto to make education accessible and affordable to the people of Cuncolim and the neighbouring villages. Through all the struggles and challenges, the Society today has achieved the status of one of the notable institutions of higher education in Goa. Today the Society caters to the educational needs of thousands of youth in Cuncolim and surrounding areas including the adjoining cities.

The Society's motive is to bring positive change in the mind-set of younger generation. Along with academic achievements the Management aims to facilitate students to look forward to wider horizons and become honest and responsible citizens of the country.

The Management's focus is to nurture the young vibrant minds to face the challenges through holistic education.

We at CES welcome the young aspirants to our Institution of higher learning to experience the difference. The Management is committed to provide opportunities and facilities to develop the overall personalities of the students and make them globally competent and responsible citizens.

“An Investment in Knowledge pays the best Interest”. – Benjamin Franklin

From the Principal's Desk

Cuncoim Education society's College of Arts and Commerce was established on 1st August 1987. The College offers undergraduate Choice-Based Credit System (CBCS) programmes in Bachelor of Arts (B.A.) and Commerce (B.Com). During academic year 2018-19 the combined strength of our Arts and Commerce programmes stood at 555 students and we are optimistic that it will increase this year. At CES College students are exposed to Conventional and Non-conventional based teaching-learning environment along with a host of sports, co-curricular and cultural activities. College has ICT enabled classrooms, well-equipped library, IT Centre, Geography Lab, NCC, NSS, Nature Club, a Literary Association and Sports Council for all-inclusive development of students.

College has ICT enabled classrooms, well-equipped library, IT Centre, Geography Lab, NCC, NSS, Nature Club, a Literary Association and Sports Council for all-inclusive development of students.

It is a known fact that education is an instrument to inspire and empower students to be productive members of a competitive and ever changing global society. We at C.E.S believe that the talents, skills and the abilities of each student need to be identified, nurtured, and channelized so that he/she is able to reach greater heights in life.

Our well qualified, experienced and dedicated faculty is persistently working hard to develop excellence in academics, combined with social values and extra-curricular activities in students. To enhance their academic excellence the faculty is motivated to undertake research activities and participate in faculty development programmes.

In all likelihood the academic year 2020 -21, may throw up new challenges on account of the corona virus pandemic, that has disrupted the flow of education. Nevertheless, we are committed to make the teaching-learning process even more enriching. The management has on its part embarked on an expansion plan of the college building with the objective of creating additional infrastructure, and this initiative I'm sure will lead to a qualitative improvement in the teaching-learning process.

We anticipate working in co-ordination with all our stake holders - students, parents, well-wishers, alumni, employers and the community at large- for the academic excellence and welfare of the students. Similarly, we plan to synchronize with the College Alumni Association and Parent-Teachers Association to strengthen the bond between the institution and the community. The College is also pursuing to develop linkages and tie-ups with industries and companies to acquaint students with the practical world.

Dr. Sanjay P. Sawant Dessai

ABOUT THE INSTITUTION

“We want that education by which character is formed, strength of mind is increased, the intellect is expanded, and by which one can stand on one's feet”

- Swami Vivekananda

Liberation of Goa from the Portuguese rule in 1961 gave an opportunity for tremendous development of educational institutions which were circumscribed only to the urban areas. Considering the need for adequate educational facilities within the affordable reach of Cuncolim and the surrounding villages, an enthusiastic elite group conceptualized the idea of starting an Educational Society in Cuncolim.

The Cuncolim Educational Society was established on 2nd October 1963 with a noble aim and desire to make education accessible to the students with least hardship. The objective was to impart quality education to the students and to foster their development through the knowledge that would make them enlightened citizens in a progressive and vibrant society.

The first move in this direction was the establishment of the Cuncolim United High School in the year 1964. The Cuncolim United Higher Secondary School with Arts and Commerce streams was established in the year 1981, followed by inclusion of Science stream in June 1986.

The major expansion towards higher education in South Goa came with the establishment of The Cuncolim Educational Society's College of Arts and Commerce in the academic year 1987-88. The College saw the light of the day mainly due to the vision, untiring efforts and dynamism of late Adv. Pio F. Lawrence, the Chairman of the Cuncolim Educational Society and other visionaries. Currently, Shri Dilip Desai is serving as an elected Chairman of the Society.

Today, the college is one of the prominent institutions of higher education, in the town of Cuncolim, Salcete Taluka, in South Goa. Situated 12 kms. away from the Margao city, students can reach the college without any hardships.

With the objective of a healthy mind in a healthy body, the college makes sincere efforts to imbibe the spirit of sportsmanship among students. A large number of our students are from rural background, and have in them the dynamism and charisma needed to become good sportspersons. We take the responsibility of infusing confidence in such students, making them realize 'where there is a will there is a way'. I feel proud to place on record that many of these students have brought laurels to the institution.

The College is permanently affiliated to Goa University and recognized by UGC under section 2(f) 12(b) of the UGC Act 1956. The College is accredited by NAAC with Grade 'B', CGPA 2.33. We have a well-established campus, an Information Technology Laboratory, Wi-Fi connectivity on campus, ICT based teaching-learning, smart classrooms and LCD projectors, an Audio - Visual Hall, a well-equipped Library, Geography Laboratory and LED Interactive Board in the Language room and IT Lab..

FACILITIES IN THE INSTITUTION

Library and Reading Hall

A library is the backbone of any educational institution. Besides supporting the curriculum and research it equips students with lifelong learning skills. We have a well-developed library with a good collection of text and reference books based on the subjects offered in the undergraduate courses. There is also a good collection of journals, magazines, newspapers, reference materials and resources, dictionaries, encyclopedia and digital media for those interested in research

Presently the library is enriched with 7,156 books, 40 journals and magazines, 19 national and local newspapers in English, Konkani, Marathi and Hindi. The library resources are regularly augmented with latest editions of reading material and E-resources. The Library provides many facilities that include internet facility with LAN and Wi-Fi, membership with N-LIST, LAN public access catalogue through KOHA, Display Board and scanning and printing

facility. The library is open from 7.30 a.m. to 5.00 p.m. on all working days.

Sports Council

Academic learning and sports education complement each other. Sports education accompanied with academic curriculum definitely enhances the overall personality of a student. With this objective, the college makes sincere and concerted efforts to realize the sports talent inherent in our students. The college prepares teams participate in indoor tournaments and games such as cricket, kho-kho, kabaddi, volley ball, football, athletics, cross country, etc organized by the Goa University, Directorate of Sports and Youth Affairs and, other sports organisations. We proudly place on record that some of our sports persons have participated in Inter University, State and National level events as well. The Sports Council organizes coaching and practice sessions to train students for various tournaments.

Our Kho-kho team (women) emerged runners up at the Inter collegiate Kho Kho championship year 2019-20 organised by the Goa University. Similarly, our Kho Kho (mens) team and Kabaddi (mens) team secured the 2nd position at the tournaments organized by the Goa University.

The Sports Council organizes Sports day annually besides organizing various interclass tournaments.

Students' Council

The student's council provides an opportunity to develop leadership qualities and organizing skills in students. The council is in the forefront in organizing various competitions and events with the objecting of providing a platform to students to showcase their talent outside the classroom. During the academic year 2019-20, the council in association with the Cultural council, organized the 2nd Inter collegiate event 'YUVA SANGRAM 2020'. Students are also motivated and trained to participate in events organized by other colleges, associations, clubs etc.

NCC Army

The academic year 2019-20 saw the initiation of the NCC Army Unit, under 1 Goa Battalion NCC Panjim. 18 cadets (pursuing the first year B.A and B.Com) enrolled in the unit of which 9 SD and 9 SW. These cadets are trained in ArmyDrill, weapon training, Map reading and various other soft skills and life skills.

NSS Unit

With the objective of 'Personality Development through Community Services', the NSS unit tries to inculcate in students a sense of social concern and welfare through various outreach activities.

The unit has three NSS Programme Officers who guide hundreds of students who enroll as volunteers. The Unit is always in the forefront in organizing various activities and programmes that mainly include Swachhata Abhiyan, blood donation, cleanliness drive, awareness on demerits of open defecation, talks on health and socially related issues, awareness rallies on Electoral Roll, Road Safety and Gender Champion.

The institution voluntarily associates with the local community and the surrounding villages through NSS to develop College-Community linkage.

Career and Placement Cell

To promote the progression of the students the College Career and Placement Cell plans and organizes lectures and orientation programmes for career options accessible after graduation in their respective specialisations. For grooming and training of students for campus placement the Cell organizes and facilitates programmes that include

communication skills, stress management, body language, interview skills, social awareness, and sustainable growth. The Cell plays an important role in linking the students and employers. It facilitates to forward the CVs of undergraduate students to the organisations and institutions as per their requirements.

Information Technology

Information technology is the vital subsection of Information Communication Technology (ICT). Academic excellence in an education institution is invariably based on use of ICT in teaching and learning process. The College Information Technology Laboratory computers are connected with Wi-Fi facility. Also provides facility of LED Interactive Board.

Unique Features of the College

- **Mentoring System:** The College has an effective Mentoring System to enhance the academic performance of students and guide them in achieving their career and social well-being. Each teacher mentors 30 students. The mentors meet their mentees on the last Saturday of every month.
- **Parents Teachers Association:** The College has a very active Parents Teachers Association for interaction between Teachers and Parents for academic excellence of students. The parents are involved in the development of the College.
- **Book Bank:** The College maintains a Book Bank to support the needy students who are not covered under any Financial scheme. The Bank includes a wide range of books and reading materials of different subjects required for undergraduate studies.
- **Alumni Association:** Alumni are the brand-ambassadors of the institution. The College connects with the alumni to develop a strong and a positive relationship with them. The alumni resources are utilised for development of the institution socially, academically and professionally.
- **Staff Welfare Association :** College has staff welfare association where in all teaching & non-teaching staff are members . Activities conducted are felicitation , recognition and other welfare measures.Financial support is given to students belonging to EWS.
