ABOUT THE CUNCOLIM EDUCATIONAL SOCIETY'S COLLEGE OF ARTS AND COMMERCE

"We want that education by which character is formed, strength of mind is increased, the intellect is expanded, and by which one can stand on one's feet"

- Swami Vivekananda

Liberation of Goa from the Portuguese rule in 1961 led to establishment of The Cuncolim Educational Society on 2nd October 1963 with a noble aim and desire to make education accessible to all students. The objective was to impart quality education to the students and to foster their development through the knowledge to make them enlightened citizens in a progressive and vibrant society. The first move in this direction was the establishment of the Cuncolim United High School in the year 1964 followed by the establishment of The Cuncolim United Higher Secondary School initially with Arts and Commerce streams in the year 1981 and extended to Science stream in June 1986.

The major expansion towards higher education in South Goa came with the establishment of The Cuncolim Educational Society's College of Arts and Commerce in the academic year 1987-88. The College saw the light of the day mainly due to the vision, untiring efforts and dynamism of late Adv. Pio F. Lawrence, the Chairman of the Cuncolim Educational Society and other visionaries. The college aims at providing highest quality education at all levels to develop committed, technology savvy, value based and research-oriented teaching professionals who would shape the future of our nation. At present Shri Virendra (Videsh) Y. Dessai is the Chairman of the Cuncolim Educational Society. The college is a prominent institution of higher education, in the town of Cuncolim, Salcete Taluka, in South Goa District situated at 12 kms. away from the Margao city, with an easy access.

The College is permanently affiliated to Goa University and recognized by UGC under section 2(f) 12(b) of the UGC Act 1956. The College is reaccredited by NAAC with Grade 'B' with CGPA 2.33 during II cycle.

During the academic year 2020-21 college was recognised as cluster for research in Commerce, Geography and Economics. Two of our faculty members are recognised as research guides and presently seven students are pursuing Ph.D. at Goa University. We are also closely associated with Goa University as some of our faculty members are part of Academic council, Board of studies, and other academic committees at University.

We have a well-established campus with Information Technology Laboratory, Wi-Fi connectivity on campus, ICT based teaching-learning, Audio-Visual Hall, a well-equipped Library, Geography Laboratory and Interactive smart boards. A wide range of curricular and co-curricular activities are offered by the College.

The College assures quality education and holistic development of the students and community at large.

CHAIRMAN'S MESSAGE

"Education is not the learning of facts, but the training of the mind to think".
-Albert Einstein

It is a great honor to be associated with the CES as a Chairman. I am an alumnus of the School, Higher Secondary and College managed by The Cuncolim Educational Society. These institutions nurtured me and contributed in making my dream a reality as a Chairman.

Since the establishment of the CES' College of Arts and Commerce in the academic year 1987-88, the objective of making education accessible and affordable to bring positive change in the mind-set of younger generation has been achieved to a great extent. The success story of the society is a journey of struggles and achievements.

The college has achieved the status of one of the notable institutions of higher education in Goa and caters to the educational needs of thousands of youth from Cuncolim and surrounding areas including the adjoining cities. The present academic year 2021-2022 poses the complex challenges that still exists more intensely due to pandemic.

Our vision, as a team, is to provide education to serve the needs of society and ambitions of every individual youngster of Goa as well as India. The Management focuses on the holistic development of students and assures satisfaction of all stakeholders.

We welcome the young aspirants to our Institution of higher learning to experience the difference. The Management is committed to offer opportunities and facilities to make them globally competent and responsible citizens.

Shri. Virendra (Videsh) Y. Dessai
Chairman
The Cuncolim Educational Society
Cuncolim, Goa

FROM THE PRINCIPAL'S DESK

I take great pleasure in welcoming you to the College family. The C.E.S College of Arts and Commerce is a well-known institution of higher education and I feel privileged to be associated with it since last three years.

The College is affiliated to Goa University and offers Choice-Based Credit System (CBCS) at Undergraduate Programmes in Arts (B.A. General) and Commerce (B. Com. Honours). During the academic year 2020-21, the total enrolment reached to 571 students that included 347 in B.A. and 314 in B. Com.

It is rightly said that education is a continuous process that undergoes constant change. This is evident from the fact that implementation of the New Education Policy 2020, is in progress in India. This New policy aims to overhaul education with an emphasis on the development of the creative potential of each student, in its cognitive, social, ethical, emotional capacities and dispositions. I am proud to say the mission and vision statements of our institution reflect the ethos of this policy.

It is the endeavour of our institution to identify, inspire and empower students to be productive members of a competitive and ever-changing global society. Our well qualified, experienced and dedicated faculty is very adaptive to the academic needs of our students. We believe in the all-round development of our students. Therefore, equal thrust is laid on academics, sports, research and other curricular and co-curricular activities.

The success of an institution can be best assessed in terms of the proactive role played by its stakeholders in its march towards achieving academic excellence. In this regard we are grateful to our students, parents, members of the management, alumni, benefactors and the community who are very supportive. We are proud of all of them.

As the pandemic forced educational institutions to become more adaptive, our teachers made sincere and concerted efforts in upgrading themselves with methods of teaching, providing our students with new accessible platforms to suit the educational needs thus making the online teaching-learning process more vibrant.

The institution has adequate infrastructure and facilities for students. Our Library is well equipped with text books, reference books, periodicals, national and international journals and e-resources. The library is open for students and all stakeholders from 7.30 a.m. to 5.00 p.m.

Plans are afoot to make academia-industry linkage more vibrant, so that the disparity between education and workplace requirements is reduced. We desire to see graduates walk out from the portal of this institution gain employment without facing any difficulty.

Join the C.E.S family to make your dream come true. I wish you a very happy and an academically enriching sojourn at C.E.S. College.

Prof. Sanjay P. Sawant Dessai
Principal

FACILITIES IN THE INSTITUTION

Physical Infrastructure

College has recently completed new building under RUSA. Now we have 16 well equipped classrooms with LCD projectors, Wi-Fi connectivity, IT lab, sports room, Geography lab and common room for boys and girls.

Library

The college has a well-developed library with collection of 7029 books that includes 4582 Arts, 1842 Commerce and 605 General books, 45 journals and magazines, 12 national and local newspapers in English, Marathi, Hindi and Konkani languages. It also has reference material, dictionaries, encyclopaedias and digital media that have become useful resources during COVID pandemic.

The library resources are regularly augmented by adding reading materials, e-resources, provides Digital databases through N-LIST (1,64,000+ e-books and 6,000+ e-journals), LAN public access catalogue through KOHA. Library has subscribed **Magzter Gold (digital database)** that provides 5000+ magazines, newspapers and curated premium stories to the users. Other facilities available in the library include Display Board, Photocopying, Scanning and Printing. The library is open from 7.30 a.m. to 5.00 p.m. on all working days.

During the Covid-19 pandemic the students were allowed access to library by maintaining social distancing and SOP. The students used the library resources for their assignment, references, project work, borrowing of books, browsing internet resources and printing.
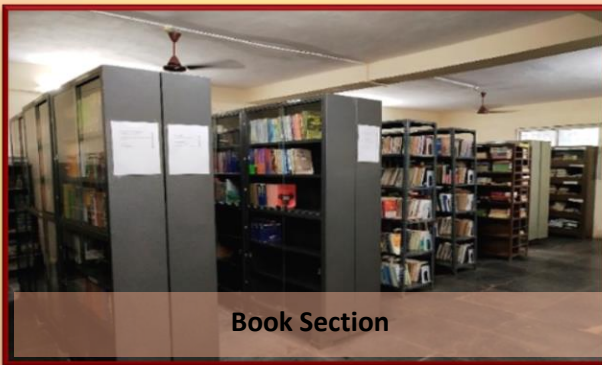

Information Communication Technology (ICT) Lab

Information Communication Technology (ICT) in teaching and learning process has become significant part of academic excellence. The college Information Technology Laboratory (IT Lab) is well equipped with computers and Wi-Fi facility. The Lab is enabled with LED Interactive Smart Board for smart and innovative learning. During COVID-19 the IT practicals were conducted online with the use of ICT tools such as Google meet, PowerPoint presentations, Zoom Cloud meeting, Google classroom and two smart classrooms.

Research Center

The academic excellence is possible through research. The College research center provides facilities for those who are pursuing research work, publications, presentations and participation in conferences, seminars and workshops. Our library provides research-based references that caters to the need of researchers. It can accommodate six researchers with individual sitting facility and wi-fi connection. The College is a recognised research cluster in Commerce, Geography and Economics and two Professors and research guides are guiding Ph.D. research students of Goa University.

Career and Placement Cell

The Placement Cell plays a crucial role in career guidance and job opportunities for Under Graduates. It establishes a link between the institution and the job market.

The cell conducts training programmes such as Mock Interviews, Group Discussions, Personality Development Program, Communication Skills Workshop and Public Sector Examination for students who are interested to join Government Sectors. It also invites HR Managers from different industries to conduct training programmes for students.

The college placement cell aims at

1. To develop the competence among students to meet the Industries recruitment process.
2. To motivate students to develop technical knowledge and soft skills in terms of career planning and goal setting.
3. To motivate students aspiring for higher studies and guiding them to take competitive examinations such as CAT, NET/SET and other Government examinations.

Counselling Cell

Personal wellbeing of the students with healthy mind and body has become crucial in Higher Education. To address and resolve emotional and psychological issues of the student community the college has initiated the "Counselling Cell" and a counsellor has been appointed.

The objective of Counselling is to facilitate positive behavioral changes, improve the student's ability to establish and maintain social relationships, promote decision making process, help to understand one's own potential and cope effectively with the problems faced.

Students are supported to tackle their personal, emotional, social, family, peer, academic and other related problems. Counselling helps to achieve academic goals, social and personality development, career goals, listening skills and empathy to have healthy relationships with a healthy lifestyle.

Sports Council

Sports education and academic curriculum complement each other and definitely enhance the overall personality development of our students. With this objective, the college makes sincere and concerted efforts to realize the sports talent inherent in our students. The college teams participate and won trophies in indoor tournaments, cricket, kho-kho, kabaddi, volley ball, football, athletics, cross country, sepak takraw and other events organized at the National, State and University levels. The Sports Council organizes coaching and practice sessions to train students for various tournaments. The Council also organizes annual college sports day besides organizing various interclass sports.

Students' Council

The student's council provides a platform to develop leadership qualities and organizing skills among students. The council organizes curricular and co-curricular activities for students at the college, National and State level. The council motivates and trains the students to participate in the competitions, events and youth festivals organized by other colleges, clubs, associations and institutions.

NSS

The Motto of NSS "Not Me But You", reflects the essence of social concern and community welfare through various outreach activities. The institution through NSS voluntarily associates with the local community and the surrounding to develop College-Community linkage.

The unit organizes activities such as Swachhata Abhiyan, blood donation, cleanliness drive, awareness on open defecation, talks on health and socially related issues, awareness rallies on electoral roll, road safety, eco-friendly activities, international yoga day, stitching and distribution of masks on campus and in Cuncolim area.

NCC Army

NCC army unit was started in the academic year 2019-20 under 1 Goa Battalion NCC Panjim with authorized strength of 54 cadets that consist of 70% boys and 30% girls. During the academic year 2020-21 twelve cadets successfully passed the B certificate examination conducted by 1 Goa Battalion NCC Panjim. These cadets are trained in Army Drill, weapon training, Map reading and other soft skills and life skills.

UNIQUE FEATURES OF THE COLLEGE

Mentoring System: The College has an effective Mentoring System to enhance the academic performance of students and guide them in achieving their career and social well-being. Each mentor is assigned with 25-30 mentees. The mentors regularly interact with their mentees every month.

Parents Teachers Association: The College has a very active Parents Teachers Association. PTA has contributed in the achievement of academic excellence of students and the development of the College.

Book Bank: The College maintains a Book Bank to support the students in need. The Bank includes a wide range of books and reading materials of different subjects required for undergraduate studies.

Alumni Association: Alumni are the brand-ambassadors of the institution. The CES Alumni Association connects with the alumni to develop a strong and a positive relationship with them. The alumni resources are used for social, academic and professional development of the institution.

Staff Welfare Association: College has staff welfare association that constitutes teaching and non-teaching staff members. It undertakes activities such as felicitation, recognition and other welfare measures related to staff. Financial support is given to students belonging to EWS.

Staff Cooperative Society: The CES Employees Co Operative Credit Society Ltd was registered on 21st July 2020 with the objective of promoting saving habit among members and supporting the needy members with financial assistance. This society is started by all the three-institutions of CES and has 77 registered members till date.

Kitchen Garden: The CES College has initiated a kitchen garden in the college premises as per the supported by the Zonal Agricultural Department, Margao. The Kitchen garden is a green initiative of the college that aims at protection of environment and has ensured self-sufficiency by growing different types of vegetables and chillies.
