## **ABOUT THE CUNCOLIM EDUCATIONAL SOCIETY'S COLLEGE OF ARTS AND COMMERCE**

Liberation of Goa from the Portuguese rule in 1961 led to establishment of The Cuncolim Educational Society on 2nd October 1963 with a noble aim and desire to make education accessible to all students. The objective was to impart quality education to the students and to foster their development through the knowledge to make them enlightened citizens in a progressive and vibrant society. The first move in this direction was the establishment of the Cuncolim United High School in the year 1964 followed by the establishment of The Cuncolim United Higher Secondary School initially with Arts and Commerce streams in the year 1981 and extended to Science stream in June 1986.

The major expansion towards higher education in South Goa came with the establishment of The Cuncolim Educational Society's College of Arts and Commerce in the academic year 1987-88. The College saw the light of the day mainly due to the vision, untiring efforts and dynamism of late Adv. Pio F. Lawrence, the Chairman of the Cuncolim Educational Society and other visionaries. The college aims at providing highest quality education at all levels to develop committed, technology savvy, value based and research-oriented teaching professionals who would shape the future of our nation.
