## SPORTS POLICY

### About Department

The Department of Physical Education and Sports emphasizes on the holistic development of students with the objective of realizing their true potential. The department aims to focus on maximum participation not just from athletes but students who are often reluctant to take part in Sports. The department seeks to systematically create a positive and a healthy competitive sports environment in the institution.

### Mission

To strike a balance between the Physical and Intellectual capabilities of the students.

### Aim

We endeavour to Educate and prepare our students to participate in various sports activities thus making them competent citizen who can handle any situation with caution and care.

### Objectives

1. The objective is to create an environment where students are educated and well aware of the benefits of physical health and overall self-development.
2. To improve self-confidence, emotional intelligence and intellectual abilities of the students through sports.
3. To create awareness amongst students on personal health and fitness.
4. To provide maximum opportunities to students to showcase their talent in physical and sports activities.

5. To provide maximum facilities to our students and to support upcoming athletes in various sports.
6. To inculcate civic responsibility in the students for creating better citizens for the nation.

## **THE ROLES AND THE RESPONSIBILITIES**
